

This exploded view diagram illustrates the assembly of a table. The components are numbered as follows:

- 1**: Front panel (left side)
- 2**: Front panel (right side)
- 3**: Front panel (center section)
- 4**: Top panel
- 5**: Bottom panel (left side)
- 6**: Bottom panel (right side)
- 7**: Casters (front)
- 8**: Casters (back)
- 9**: Casters (front)
- 10**: Casters (back)

Technical drawing of a square plate. The drawing shows a square plate with a central square hole. The outer dimensions are 90 (width) and 96 (height). The inner dimensions are 60 (width) and 66 (height). The plate has a thickness of 10. The drawing includes a top view and a side view. The top view shows the square plate with a central square hole. The side view shows the plate's thickness and the hole's depth. The drawing is labeled with dimensions 90, 96, 60, 66, and 10.

Technical drawing of a square panel. The panel has a width of 66 and a height of 109. There are four mounting holes, each with a diameter of 4, arranged in a 2x2 grid. The distance between the centers of the holes is 33 horizontally and 54.5 vertically. The panel is shown with a dashed center line and dimension lines.

Technical drawing of a rectangular box. The drawing shows the front and side views. The front view is a rectangle with a width of 120 and a height of 44. The side view is a rectangle with a width of 4.7 and a height of 44. The drawing includes labels A and B. Label A is located at the top center of the front view, and label B is located at the top center of the side view. The drawing also includes dimension lines and arrows indicating the measurements.

A diagram of a rectangular plate with a width of 160 units. The plate is shown in a perspective view, with a green dimension line indicating the width of 160 units.

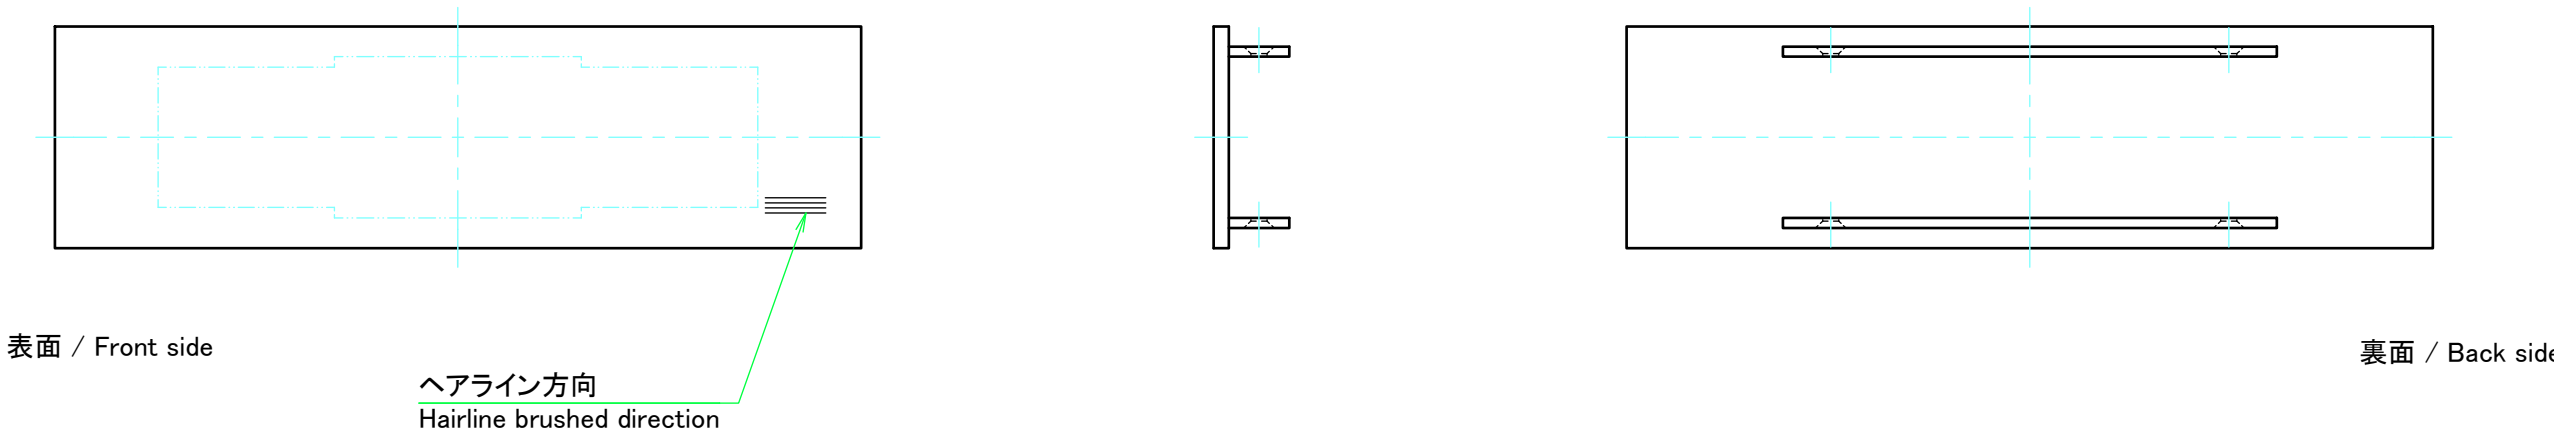

Technical drawing of a square table top. The overall width and height are both 109. The inner square area has a side length of 81.5. The distance between the centers of the four circular holes is 66. The distance from the center of each hole to the nearest edge is 92.5. The drawing shows four circular holes, each with a central cross-like pattern, arranged in a square pattern.
